Alcester Police SNTs. Latest Weekly Report. Sunday 26th June 2022

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from our local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Keeping your shed or garage safe and secure

Many people don't secure their shed or garage in the same way they do their homes - often using an easy-to-break lock or padlock to protect valuable contents such as a car, bike or lawnmower.

An opportunistic burglar will try a shed or garage first because they can find the tools they need to break into the main house.

Think like a thief - Take a look at your shed and consider how you would break in. It's worth having a good padlock on the door with no exposed screws. Pay attention to hinges, as these are sometimes easily removable. If you have windows, then these could be vulnerable unless they're secured with wire mesh or grills. And keep it locked at all times.

Alarm it - Consider a battery-operated shed alarm. They look low key, but they respond to movement or door contact with an extremely loud siren.

Lock it, hide it or mark it - Don't give them the opportunity or the tools to commit a crime. Lock everything away securely. Tools can be locked inside a locker or box or secured with a chain.

Secure your bike to the ground or a lockable stand within a locked shed or garage. Visit Sold Secure to search for ground anchors and other locks designed to fix to floors and walls. It's always worth draping an old sheet or blanket over the top of mowers or bikes to keep them covered from view. Although it might sound like stating the obvious, never leave your garage or shed door unlocked if you're not around.

Property marking your items is advisable and some tools can be painted with your name or postcode. Forensic marking is also an option.
